Sub:- The violations of basic civil &
 Human rights plus misuse of Power and
 Violation of freedom to practice Religion
 believe & Affairs.

Dear Sir / Madam,

I the undersigned Dr. Abdul
 H. Chishti reg # 18-04687 & "ICE" A File # 202-105-883,
 currently housing in Strafford County D.O.C. Dover NH. have
 been detained by "ICE" since Oct, 2018 (almost 5 months),
 have observed & face everyday the practice of
 Violations basic Human rights, civil & religious rights
 here in this facility.

This unit "C" having ICE detainees, but to make
 more money (This facility is private), we are put
 together with pre-trial & sentence Inmates, who
 have same hatred (produce by this current Administration)
 for immigrants detainees, who are from different part
 of the world, most of them are South American & Asian.

P.T.O

Dear Sir/Madam,

We are living in very un-safe and
 hatred environment, and top of it the staff, most of
 them ex-marines, with the approval of Administration
 treating ICE detainees worse than an animal, I personally
 wrote to honorable Congress Women Ms. J. Shalane, to B.O.P
 (Bureau of Prison), to Inspector General of DHS Washington &
 to many people but "No" response at all, finally I
 have got your respective information through Freedom of
 Immigrants NGO representative and writing you so the
 real face of ICE & this facility will be exposed.

The detainees who are Muslim, are forced to eat "Pork"
 when they applied for Kosher/Halal food the Capt, Ms Wjabe
 refused and put inmates in long process of check, normally
 its the "job of Respected Chaplin", The praying rug sold
 to every one containing picture of holy mosque & Holy Kaba
 which inmates (Pr-trial & sentenced) used under toilets, the
 food is very little to feed & we are forced to buy
 very very expensive commissary, the phone are very expensive
 40-24 cent for local calls & everyday several hours the debt
 calls are subject to not working except collect calls as
 for 20, min call \$20.00 (local call) charged, tablets,
 etc all way too expensive, living conditions are very
 harsh, people begging for extra "Blankets" (We get one) as
 it is very very cold & we came from different places
 -Pg 3

many people suffering, if you complain against them, you will have frequent "Call Secret" & you will be harassed by CO (duty officers).

Some officers (very few) are cooperative & help but they are bound - due to the Administration policies which is "Make Money" and treat us worse than a street dogs.

Dear Sir/Madam,

People getting fed up & the hate against this great Country is rising every day high & high, the system is so corrupt that you are very afraid to raise your voice. The medical facility which the Administration have to provide, is so bad that as ~~exp~~ example I am complaining 4 months for dentist, I was taking once & temporary filling made in facility without X-rays & the tooth I am having pain was not fixed, rather other one is filled, I was sent last Friday for only X-Ray as my lawyer call then for this purpose. every day, every hour & every minute people suffering here.

P.T.O (4)

Dear Sir/Madam,

The "ICE" officer here treating us like slaves, pathetic im-wanted animals, he threatens to sign papers & even write wrong & false reports, just to remove you ASAP.

Dear Sir/Madam,

I am requesting for your kind help, to raise voice, to investigate and to atleast but not last resolve these serious issues as it boost the hate, against this great country which made by immigrants, we do respect the way your respective organisations working to help & raising voice against this in-human & injustice behaviour.

I thank you for your very kind attention & looking forward for your help & your interest to resolve these serious matters.

May God bless you & the U.S.A

they pray, and also containing picture of Holy mosque, under their "Toilets" & on the floor using as normal rugs?!! Some of the inmates having 4/5 or 6 praying Rugs in their Cells, which cause great dis-respect to all Believers as Muslims. The issue was raised & properly addressed to the respective Chaplain, before it was going to have conflict between inmates, which will cause disturbance & bring uneasy environment among them, he was promised to take action & resolve the issue, but unfortunately, he told us that, he spoken/said due to the Superintendent & you told him that "you can't stop selling it to Non Muslims"? As your policies are different??

The B.O.P policies is not what the policy made individually & dis-respecting 2nd largest Religion in the universe "ISLAM" & Muslims!!
